

**THE HUNTERS
HAVE BECOME
THE PREY!**

A powerful sorceress has begun killing Venatores, and her only goal is their complete annihilation.

Michael, Natalie, and Ellis have been traveling together, gathering up evidence to show the world what truly lurks in the darkness.

But their quest for proof will set them on a collision course with one of the last surviving Venatores - an uncompromising warrior of unparalleled skill - and a soldier bred in Hell with a merciless mission of his own.

Loyalties will be tested, and limits pushed, as the sorceress set her endgame in-motion. Will there be anyone left to battle the creatures of the night? Not if the mage has her say.
